2 CHAIRMAN BENNETT: Good morning. 10:42;  
3 getting better. We'd like to open up the meeting with  
4 the adoption of the agenda.

5 Let me do this first, let me introduce. To my  
6 far left, Alice Miller, executive director, of the Board  
7 of Elections. To her left, Dionna Lewis, board member.  
8 To my right, Ken McGhie, general counsel, Board of  
9 Education, executive director of the Office of Campaign  
10 Finance, Ms. Cecily Collier-Montgomery.

11 MS. COLLIER-MONTGOMERY: Good morning.

12 CHAIRMAN BENNETT: And I am Michael Bennett.  
13 Open up with the adoption of the agenda. Ms. Lewis.

14 MS. LEWIS: I'd like to file a motion to adopt  
15 the agenda for today's meeting.

16 CHAIRMAN BENNETT: I second. And all in favor?

17 MS. LEWIS: Aye.

18 (Board members vote)

19 CHAIRMAN BENNETT: The ayes have it. Adopted  
20 the minutes from the January 11th meeting

21 MS. LEWIS: I'd like to make a motion to adopt  
22 meeting minutes from Wednesday, January 11, 2017.

1 CHAIRMAN BENNETT: I second. And it's so  
2 moved. Any Board matters?

3 I don't have any today. Do you have any, Ms.  
4 Lewis?

5 MS. LEWIS: No.

6 CHAIRMAN BENNETT: Okay. Public matters?  
7 Anyone today?

8 (No response)

9 None being seen, the executive director, your  
10 report, Ms. Miller.

11 MS. MILLER: Yes. Good morning. I'm going to  
12 just start off where I left off at the last meeting and  
13 that's picking up on the stats of the campus. As I  
14 indicated last month, we are required to canvas -- to do  
15 a mail canvas of voters by the end of January.

16 So what we do, and by law, we're required to  
17 canvas individuals who did not confirm their address in  
18 the previous general election. And we sent mailings to  
19 those individuals in January, of each odd-numbered year  
20 as the statute reads, the Board shall confirm the address  
21 of each registered voter who did not confirm his or her  
22 address at the polls in the preceding general election by

1 mailing a first-class non-forwardable postcard to the  
2 address listed on our records.

3 Now, if the Post Office returns that notice and  
4 provides a new address the voter within the District of  
5 Columbia, the Board then changes the address on its  
6 records and mails a notice to both the old and the new  
7 address and we forward the second notice to them, letting  
8 them know that the changes that we had made was obtained  
9 from the Post Office and have been reflected in our  
10 records.

11 And then there's yet another step. And that's  
12 if the Post Office returns the notice as undeliverable.  
13 The Board then mails to the voter his or her last known  
14 address and notice that provides directions on how the  
15 voter, giving the voter directions to register to vote in  
16 their new locality; that they've been removed from our  
17 records.

18 So this is a process that will be ongoing for  
19 the next five or six months.

20 CHAIRMAN BENNETT: Okay.

21 MS. MILLER: It takes a long time to do this.

22 It requires the work of our staff and the cooperation of

1 voters who request to get the correct information and  
2 update our records. For this canvas, this year, we  
3 canvased 187,000 voters. Those were the individuals,  
4 initially, that we identified that did not confirm their  
5 address at the November election.

6 From that number, at the outset, we know that  
7 approximately 31,000 did move outside the District of  
8 Columbia. And that's information we obtained from the  
9 Post Office, through the National Change of Address  
10 process that we use. We do have 953 in that number that  
11 did not have forwarding addresses. And therefore, could  
12 not be sent a notice, but we will send a canvas card to  
13 everyone and send it to the old address for those  
14 individuals who did not have forwarding addresses.

15 So it's a lot of attention to detail. I do  
16 want to say it's a huge effort on the part of the staff  
17 and let you all know that everyone has been working hard  
18 to get this done, and especially to meet this January  
19 31st deadline. We had over 20,000 individuals who did a  
20 same-day registration or change of address at the polls,  
21 which meant before we could do the canvas, we had to get  
22 that information in our records so we know who to canvas

1 and canvas the correct people.

2           So everyone has been working hard and I want to  
3 recognize that and let it be known and place on the  
4 record that, you know, we clearly thank both the staff  
5 and voters who have to cooperate with us in order to get  
6 this done. And especially on the heels of everything  
7 that's been going on regarding voter fraud and the  
8 general election and things of that nature. And in that  
9 light, we did receive a letter from Congress, requesting  
10 from us that we provide them with a number of incidents  
11 that were reported for referred for prosecution of voter  
12 fraud from the November general election. I have already  
13 responded to that letter.

14           In the District of Columbia, there were no  
15 incidents that we're aware of, reported, regarding voter  
16 fraud. And that's what my response reflected. And then  
17 just by way of what we do, I'm just briefly going to go t  
18 through that because I think it's important for everybody  
19 to understand that we do try to keep our records as clean  
20 as possible. They are no perfect, and that's admittedly  
21 the truth, but there is clean as we can have them for  
22 this -- for what we have to work with.

1           We do belong to a number of entities that we  
2 work with, not only with the government organizations,  
3 but other entities such as the Electronic Registration  
4 Information Center, which is ERIC. There are 21  
5 jurisdictions that belong to that. And that is a voter  
6 exchange of information among jurisdictions. And for us,  
7 fortunately, Maryland and Virginia and Delaware are also  
8 members of that entity, that organization.

9           So most of our people generally will go between  
10 those three jurisdictions and maybe Pennsylvania. And  
11 we're able to exchange records, and we do this on a  
12 regular basis. And we're able to track if voters have  
13 moved outside of the jurisdiction and to keep the records  
14 clean using ERIC as an information mode.

15           ERIC has been in existence since 2012. And DC  
16 was one of the first member states to sign on with that  
17 entity. It is a cost. And for the Board, it's about a  
18 \$20,000 annual cost. It depends on how many states  
19 participate that dictates what the cost will be. But  
20 right now it's about \$20,000. And I just want to  
21 indicate that so far, ERIC has reported to its members  
22 more than \$5 million inaccurate and outdated

1 registrations, including 166,000 deceased voters who have  
2 been removed from the rolls.

3           So that's one thing that we do. We do a number  
4 of other things, but ERIC is a very important part of our  
5 process for keeping our rolls clean. New York and New  
6 Jersey are not a part of ERIC, and I just want to put  
7 this on the record. It's unfortunate that they're not  
8 because those were two jurisdictions where, allegedly,  
9 family members of the president are duly registered. So  
10 they're not picked up for whatever reason, but have they  
11 been participant in error? They may have been picked up  
12 as being dual residents -- registered.

13           Moving on, we have also submitted the election  
14 administration voting survey to the Election Assistance  
15 Commission. That information was due in by today. We  
16 did it yesterday. So that is a compilation of all the  
17 data that we can possibly think of regarding polling  
18 places, same-day registrants, new registrants, change of  
19 address, number of poll workers. It's just data all over  
20 the place. It's over 30 pages of data amounting to close  
21 to 70 to 100 questions and sub-questions.

22           So we're a day early on that, but that's going

1 to be a lot of back and forth. Every jurisdiction is  
2 required to do that by federal law. So we're on target  
3 with that. And just one other thing, briefly, we have  
4 been working -- we're required to have in place by  
5 October 1st, an e-Signature mobile app. And this is  
6 something fairly new.

7           There's only one other jurisdiction that we  
8 know that has that process in place. And what it is, it  
9 allows candidates who are circulating petitions to use a  
10 mobile application process that automatically links to  
11 our voter registry roll. So that if a signature is  
12 gathered, the candidate will know right away if the voter  
13 is registered.

14           CHAIRMAN BENNETT: Okay.

15           MS. MILLER: Because they have a voter  
16 registration roll on that app.

17           CHAIRMAN BENNETT: Okay. Wow.

18           MS. MILLER: Yeah. So it requires us to upload  
19 the voter roll on a mobile format. An iPad is usually  
20 what has been used. Denver is the only other  
21 jurisdiction that is doing this. They did it for the  
22 first time in 2015. Fortunately, we know people in

1 Denver. They have the licensing for it from what they've  
2 developed. And we've actually been on the phone with  
3 them as late as yesterday. And fortunately for us, the  
4 election director the City of Denver was here yesterday  
5 and she came by and we sat down and we talked about it.

6 So we're going to be partnering with them to  
7 get this in place. They have already developed and  
8 they've shared with us their disclaimers and their  
9 agreements that they have individuals sign on to. They  
10 do use iPads. They require a deposit if the iPad is  
11 going to be used to be provided from the city. And  
12 different kinds of little things that we need to be on  
13 board with. So it's going to be a really good working  
14 relationship and we're happy that they're going to join  
15 on board with and guide us, kind of like, through this  
16 process.

17 CHAIRMAN BENNETT: Great.

18 MS. MILLER: You know, they said, it's funny,  
19 that there are other jurisdictions that are considering  
20 doing this. And I reminded them that we're right here.  
21 So we're there, to which they said don't worry, you know,  
22 we'll help you get through this.

1           CHAIRMAN BENNETT: Oh, good.

2           MS. MILLER: Because it's in the law. We are  
3 required to do it by October 1st to have in place for  
4 next year's election. I'm feeling pretty confident we'll  
5 be able to do it. The aside to that is that it hasn't  
6 been funded. So we have to seek the funding for it for  
7 the licenses and for the iPads that we will have to have  
8 in order to provide candidates with, you know, the actual  
9 hardware that they'll need to circulate and obtain the  
10 petition signatures.

11           CHAIRMAN BENNETT: Well, just a rough estimate  
12 of the funding, what kind of --

13           MS. MILLER: Well, we were trying to figure  
14 that out. And Denver told us when they did it, they were  
15 somewhere around \$60,000. I don't know that that  
16 included the hardware.

17           CHAIRMAN BENNETT: Sure.

18           MS. MILLER: So it did not include the  
19 hardware. Okay. Everybody is shaking their head. It  
20 didn't include the hardware. That was just the cost of  
21 the licensing and the vendors and to get the software in  
22 place on the server.

1           CHAIRMAN BENNETT: And the hardware, basically,  
2 the iPads for the candidates to take with them around the  
3 neighborhood.

4           MS. MILLER: Yes. They have iPads and Stylus  
5 that they use. And the way, as they explained to us  
6 yesterday --

7           CHAIRMAN BENNETT: So there is no finger  
8 signing there.

9           MS. MILLER: No, no. In fact, it's a very  
10 clear signature. The software is developed such that  
11 even if they put their hands across the bottom of it, it  
12 doesn't pick it up.

13          CHAIRMAN BENNETT: Oh, okay.

14          MS. MILLER: It only picks up the one from the  
15 Stylus.

16          CHAIRMAN BENNETT: Oh, okay.

17          MS. MILLER: So it's a clean signature.

18          CHAIRMAN BENNETT: Okay.

19          MS. MILLER: So we'll be working with them. I  
20 thought we'd need a trip to Denver, but I've decided that  
21 Denver needs to come to us.

22          CHAIRMAN BENNETT: At this time of year, yeah.

1 When you get to a place where you are kind of getting  
2 down the road there, I'd love to have an opportunity to -  
3 -

4 MS. MILLER: Sure.

5 CHAIRMAN BENNETT: -- where we are. Let me  
6 know. I'd be happy to come in.

7 MS. MILLER: Yeah, we'll keep you posted on  
8 that.

9 CHAIRMAN BENNETT: Not to participate in the  
10 meeting but observe.

11 MS. MILLER: Yes.

12 CHAIRMAN BENNETT: Personal interest.

13 MS. MILLER: Okay. That's it.

14 CHAIRMAN BENNETT: Great. All right. Any  
15 questions?

16 (No response)

17 MR. MCGHIE: Yes. The only thing I have on my  
18 agenda is one piece of regulation on rulemaking to amend  
19 Chapter 1, Organization of Board of Elections. This is  
20 to establish an optional universal leave structure for  
21 the three statutorily recumbent employees of the Board of  
22 Elections, which are the executive director, general

1 counsel, and the director of campaign finance.

2           So the way -- this is similar to what the mayor  
3 currently does and also what occurs in the federal  
4 government. So what they do is they offer 208 hours of  
5 universal leave to senior officers of the agency that are  
6 accepted service. And so at the beginning of every year,  
7 they would start with 208 hours. They don't get any sick  
8 leave, it's all universal leave. And so the officer or  
9 whatever would draw from that universal leave and they  
10 could only carry over 40 hours at the end of the year to  
11 the next fiscal year. And this would be a way for us to  
12 attract more talented individuals and it could be part of  
13 the compensation package that we also universal leave.

14           We've had at least three directors in the past  
15 that started with our agency, and because they came from  
16 outside the federal government -- I mean, outside of the  
17 District Government, they had no leave. So it wasn't  
18 really fair that somebody that's in the executive  
19 director capacity and put in a great number of hours  
20 during the week would start at zero leave.

21           And so with the universal leave, that would  
22 start at 208 at the beginning of the year, as opposed to

1 zero. And I guess the way it's currently done, after  
2 five years, I think you go to six hours. And then 15  
3 years you go to eight hours.

4 CHAIRMAN BENNETT: Right.

5 MR. MCGHIE: And it would totally be optional.  
6 So if you attract somebody that's already in the District  
7 Government, has more than 15 years, they probably  
8 wouldn't want to do this. If you're trying to recruit  
9 somebody that is outside of the District Government, this  
10 would be the ideal thing for them.

11 CHAIRMAN BENNETT: Well, we're certainly not  
12 interested in changing out our talent that we currently  
13 have, but it does make sense from a future perspective.  
14 Ms. Lewis, do you have any questions?

15 MS. LEWIS: I do. Give me one second.

16 CHAIRMAN BENNETT: Sure.

17 MS. LEWIS: So what happens -- so you know in my  
18 full time job I do employment law. So what happens --

19 CHAIRMAN BENNETT: I thought this was your  
20 full-time job.

21 MS. LEWIS: What happens if we have a new  
22 employee come in -- of course, this wouldn't be any of

1 our current ones, but we have a new employee come in,  
2 let's say in 50 years after Alice retires and they stay  
3 for six months but they use up all of their 208 hours  
4 within that first six months, is there any way that we  
5 can get that --

6 MR. MCGHIE: Yeah, recoup it back?

7 MR. LEWIS: Yes.

8 MR. MCGHIE: I don't know.

9 CHAIRMAN BENNETT: No, I don't think so. We'd  
10 have to figure that out.

11 MS. LEWIS: What impact does this have on  
12 pregnancy or any impact whatsoever? Is there --

13 MR. MCGHIE: They would still be eligible for,  
14 I guess the District has --

15 MS. LEWIS: FMLA? DC Family Medical Leave Act?  
16 Pregnancy --

17 MR. MCGHIE: Yeah, yeah, family leave. Yes, in  
18 addition to that.

19 MS. LEWIS: Oh, okay. Okay. So is there no  
20 concern about the fact that when someone comes, they work  
21 for six months and they're like, you know what, I had my  
22 208-hour leave/vacation, whatever that equates to in

1 numbers and this isn't working out --

2 MR. MCGHIE: Yeah, I don't think -- if 208 is  
3 coming to 26 -- I guess if somebody came on board and  
4 just ate up the whole 26 day, that would've been part of  
5 their package.

6 MS. LEWIS: Okay. I don't have any other  
7 questions. I was just kind of curious about.

8 CHAIRMAN BENNETT: Well, if I'm sitting in this  
9 chair, they wouldn't get passed the interview, I think  
10 I'd figure them out.

11 Any other questions? You're good?

12 MS. LEWIS: Yes.

13 CHAIRMAN BENNETT: Well, can I get a motion to  
14 move forward on the rulemaking?

15 MS. LEWIS: I'd like to make a motion to --

16 CHAIRMAN BENNETT: This is rulemaking, right?

17 MR. MCGHIE: Yes.

18 MS. LEWIS: I'd like to propose that we adopt  
19 this rulemaking that's final?

20 MR. MCGHIE: No, as proposed.

21 MS. LEWIS: As proposed. I'd like to make a  
22 motion to adopt this rulemaking as proposed.

1           MR. BENNETT: I second. And so the ayes have  
2 it. So that's it.

3           MR. MCGHIE: Okay. That's it. So we'll be  
4 posting in the DC Register as the proposed rulemaking for  
5 the required 30-day comment period. And that would  
6 conclude my report.

7           CHAIRMAN BENNETT: Thank you. Ms. Montgomery.

8           MS. COLLIER-MONTGOMERY: Yes. The first thing  
9 I would like to report is that on January 31, 2017, the  
10 Office of Campaign and Finance prepared and disseminated  
11 the OCF 2017 biannual report of contributions and  
12 expenditures. The report was disseminated to the mayor  
13 of the District of Columbia, as well as to each member of  
14 the counsel, as well as the chairperson and to the public  
15 in the Washingtonian Room of the DC Library at the Martin  
16 Luther King, Jr. Library.

17           We disseminated the report in an electronic  
18 format, a CD, as well as by email transmission, and the  
19 report is also available at the OCF website. The  
20 biannual report reports for the two-year period  
21 immediately preceding January 31. The contributions and  
22 expenditures of candidates for public office, as well as

1 the committees that are registered with the Office of  
2 Campaign Finance, including the Principal Campaign  
3 Committee, the Political Action Committee, the  
4 Independent Expenditure Committee, our Exploratory  
5 Committee, and also, our Inaugural Legal Defense, and our  
6 Transition Committee. For this particular report cycle,  
7 there were no -- I'm sorry, there were no transition or  
8 legal defense committees registered with the office  
9 during the past two-year period.

10 The report basically summarizes the  
11 contributions and expenditures for each of the  
12 committees. And what it does also is it breaks down the  
13 contributions by donor type and also by amount and it  
14 breaks down the expenditures by category. The office  
15 also uses graphs to show the percentage terms for the  
16 contribution, as well as for the expenditures.

17 Again, the report is available at our website.  
18 The statutory requirement has been in place since 2001.  
19 So for every two-year period, during an odd-numbered  
20 year, on January 31st, we prepare this report. During  
21 the preceding two-year period, what we do at every  
22 following deadline, you will see at our website, summary

1 reports for the particular filing deadline of all of the  
2 entities that have filed their particular reports that  
3 were due that day. And so these summary reports that we  
4 prepare on every filing deadline actually provide the  
5 foundation for this biannual report.

6           Secondly, during the month of February -- I'm  
7 sorry, the month of January, there were three filing  
8 deadlines in the Office of Campaign Finance. The first  
9 was the January 1st report of receipts and expenditures  
10 for our constituent service programs, which was due on  
11 January 3, 2017. We have 11 required filers; 10 timely  
12 filed. We have one late file and we had one request for  
13 an extension, which was granted. There was one referral  
14 to the Office of the General Counsel. All of the filers  
15 filed their reports electronically at the OCF website.

16           The second filing deadline was for the report,  
17 the Senator Representative Statehood Funds, which was due  
18 on January the 1st. It was actually received on January  
19 the 3, 2017. There are three required filers; all three  
20 timely filed and they also electronically filed their  
21 report.

22           On January the 31st, the report of receipts and

1 expenditures was due from our principal campaign  
2 committees and our Political Action committee who are  
3 continuing. We will provide the stats for this  
4 particular filing at the next Board meeting.

5 Also, during the month of January. January the  
6 18, 2017 was the deadline for the filing of the summary  
7 financial statement by our ANC candidates. We had 469  
8 required filers; 308 timely filed. As of January the  
9 30th, 161 had not filed. And what we do with the ANC  
10 candidates at the filing deadline, we send them a  
11 reminder letter or delinquency letter and it extends the  
12 time for filing to February the 7th in 2017.

13 I would also like to indicate on the record  
14 that the biannual report does not include the financial  
15 reports of the Advisory Neighborhood Commission members.  
16 They filed with their one-time report, and that report is  
17 due 60 days after the Board certifies the election  
18 reports.

19 Again, with respect to the referrals to the  
20 Office of the General Counsel, there was one referral  
21 which occurred during January of a Principal Campaign  
22 Committee for failure to timely file the December the

1 10th 2016 report of receipts and expenditures. That was  
2 the Re-elect Yvette Alexandra 2016. Derek Ford is the  
3 treasurer. With respect to the January the 1st 2017 and  
4 report of receipts and expenditures, the failure to  
5 report by constituent service program, that was from Ward  
6 4 Constituent Service Fund. Eric Anders is the  
7 treasurer. We had two new committees that registered  
8 with the agency during the month of January.

9           The first was the 2017 Committee to recall  
10 Mayor Muriel Bowzer. That notice was filed on January  
11 the 24th of 2017. Do Something Constituents Fund, Ward 8  
12 Councilman Trayon White. And that constituent Service  
13 program registered on January the 24th 2017. The  
14 entrance conference was the for treasurers of these newly
