2 (10:33 a.m.)

3 CHAIR THOMPSON: The Board of  
4 Elections, my name is Gary Thompson, the Chair,  
5 and with us today is Karyn Greenfield who's  
6 there, so we have a quorum. Karyn -- as you can  
7 see, Karyn's there in-person. I apologize I  
8 have to appear remotely. I'm on a spring break  
9 vacation, but I've got an hour or so this  
10 morning.

11 The first thing I'll do is make a  
12 motion that our Board come out of closed  
13 session, which is where we left things at the  
14 end of our last regular meeting. We wanted to  
15 close session for purposes of considering the  
16 proper subject matter determination on the DC  
17 Housing Modernization and Accessibility Act of  
18 2026. So I'm moving at this time that we edit  
19 that closed session.

20 MEMBER GREENFIELD: I second.

21 MS. STROUD: And we'll take a roll call  
22 vote with respect to that. And to clarify, the

1 Board had entered into executive section --  
2 session pursuant to two dash five -- DC Official  
3 Code Section 2-575(b)(4)(A) and (13) to discuss  
4 and deliberate with counsel the DC Housing  
5 Modernization and Accessibility Act of 2026.

6 And so the Board is -- we're going to take a  
7 roll call vote with respect to that. Mr. Chair?

8 CHAIR THOMPSON: Aye.

9 MS. STROUD: Member Greenfield?

10 MEMBER GREENFIELD: Aye.

11 MS. STROUD: And with that, the Board  
12 has left executive session.

13 CHAIR THOMPSON: Okay, two quick  
14 housekeeping measures. Number one, we've  
15 reviewed our agenda for today. And I at this  
16 time move we adopt that agenda.

17 MEMBER GREENFIELD: Second.

18 CHAIR THOMPSON: All in favor? Aye.  
19 And secondly, we've reviewed the minutes from  
20 our last regular meeting, and I move that we  
21 adopt those minutes.

22 MEMBER GREENFIELD: I second.

1 CHAIR THOMPSON: All right. All in  
2 favor? Aye. So, with that, we will turn to our  
3 Executive Director, Monica Holman Evans.

4 MS. EVANS: Good morning. So this is  
5 the Executive Director's Report for March 2026,  
6 Executive Director March engagement. On March  
7 5th, the agency had its performance oversight  
8 hearing. During the hearing, we addressed  
9 ranked choice voting, accessibility issues, 2026  
10 election preparation, and pending legislation  
11 that may affect elections. We provided the  
12 requested supplemental information to the  
13 Council on March 13th.

14 During the month of March, I attended  
15 several outreach events and gave presentations  
16 about ranked choice voting. Events included  
17 presentations to the Ward 8 Dems, advisory  
18 neighborhood commissions, and the Committee of  
19 100 of the Federal City. I also gave multiple  
20 presentations at Fort Lincoln senior buildings  
21 in Ward 5.

22 Voter registration rolls. In March,

1 the Board of Elections, or BOE, registered 2,296  
2 new voters and processed 4,886 registration  
3 changes. In total, we prepared 7,182 voter  
4 registration cards to be mailed. Additionally,  
5 130 registered voters moved out of DC, 212  
6 voters canceled the DC registrations and  
7 registered with other jurisdictions, and 657  
8 voters registered in DC after canceling their  
9 registrations in other states.

10 Online voter registration. We're  
11 continuing to register voters using our website  
12 portal. To date, we have processed over 105,413  
13 applications using the portal. These include  
14 new voter registrations and updates to existing  
15 registration. Total non-citizen registration is  
16 1,004. To date, we have registered 16 non-  
17 citizens in March, and we are continuing our  
18 outreach in DC communities to share information  
19 about non-citizens voting in local elections.

20 2026 election cycle planning. We are  
21 continuing to implement the requirements of the  
22 Automatic Voter Registration Expansion Act. We

1 now have a staff member dedicated to this  
2 effort, and we are also evaluating data received  
3 as a result of implementing AVR expansion.

4 We are continuing to monitor  
5 legislation to repeal the Local Resident Rights  
6 Amendment Act. We are waiting on further action  
7 from the Senate. We are also monitoring the  
8 SAVE Act, which will require every American to  
9 provide documentary proof of citizenship to  
10 register to vote in federal elections. We are  
11 also monitoring a Supreme Court decision that  
12 may change the requirements regarding the  
13 receipt of voted mail ballots. The decision  
14 will determine whether we can continue to accept  
15 mail ballots received after Election Day.

16 We are also examining the effects of  
17 the executive order issued by the President of  
18 the United States on yesterday. The executive  
19 order preserving and protecting the integrity of  
20 American elections provides for limitations in  
21 the way we currently operate elections.

22 Ranked-choice voting. During the 2026

1 election cycle, we are implementing ranked-  
2 choice voting, or RCV. We have developed  
3 informational materials, and these materials are  
4 available to our community partners. We are  
5 providing educational materials and information  
6 to all eligible district voters, explaining how  
7 RCV works.

8           We're conducting hands-on  
9 demonstrations using voting equipment, and we  
10 are collaborating with community organizations  
11 and groups to access their membership to expand  
12 engagement and outreach opportunities around  
13 RCV. We are actively scheduling virtual and in-  
14 person outreach events. We have a video and  
15 additional print material. All outreach events,  
16 including those specific to RCV, can be found on  
17 our website.

18           There are also many online tools to  
19 assist with explaining RCV. The BOE website has  
20 information dedicated to RCV, including mock  
21 ballots and frequently asked questions. We are  
22 taking mock ballots and voting equipment into

1 the community. We have begun mailing postcards  
2 and will implement a webinar series beginning in  
3 April. Information about RCV will be included  
4 in our voter guide and in our mail ballot  
5 packets.

6 List Maintenance. In preparation for  
7 the upcoming primary and special elections, the  
8 Board has continued voter list maintenance to  
9 ensure our voter registration database is  
10 accurate and complete. Voters are encouraged to  
11 verify their registration status and make any  
12 necessary updates prior to the registration  
13 deadline of May 26. Instructions on how to  
14 check or update voter registration information  
15 are available on BOE's website.

16 As part of BOE's ongoing efforts to  
17 maintain accurate voter registration lists,  
18 1,873 voters have been issued final notices, and  
19 their registration status has been updated to an  
20 inactive status. These final notices were  
21 generated following the receipt of undeliverable  
22 mail, including undeliverable voter registration

1 cards, undeliverable routine correspondence sent  
2 via regular mail, and undeliverable vote-by-mail  
3 ballots from the recent special and prior  
4 elections. Voters who have become inactive can  
5 still vote and can become active again by  
6 updating their address, confirming their  
7 registration information, or voting in a future  
8 election.

9 2026 Voter and Partner Coordination.

10 We are meeting with our vendors and partners in  
11 preparation for the 2026 primary and special  
12 elections. These discussions focus on  
13 confirming operational and technical  
14 requirements, reviewing project timelines, and  
15 ensuring all systems, services, and supporting  
16 activities remain in a state of readiness to  
17 support election operations.

18 UOCAVA ballot transmission. The Board  
19 is actively preparing to meet the statutory  
20 requirements for transmitting ballots to  
21 eligible voters under the Uniformed and Overseas  
22 Citizen Absentee Voting Act. The Board is

1 required to transmit valid, requested ballots no  
2 later than 45 days before the election. For the  
3 2026 primary and special elections, the deadline  
4 for the ballot transmission is Friday, May 1st,  
5 2026.

6 Mail ballot envelope packets. The  
7 Board is finalizing the design of the mail  
8 ballot envelope packets, including updated  
9 instructions that incorporate ranked-choice  
10 voting guidance to ensure voters clearly  
11 understand how to properly complete and return  
12 their ballots. Mail ballots are tentatively  
13 scheduled to be mailed on May 11.

14 Again, the voter registration deadline,  
15 May 26th, 2026. The voter registration deadline  
16 is applicable for primary and special elections.

17 Eligible residents must complete and submit  
18 voter registrations by this date to be eligible  
19 to participate in the upcoming elections.

20 Registration applications received after this  
21 deadline will be processed after the election;  
22 however, residents may still take advantage of

1 same-day registration at vote centers.

2           Cybersecurity operations and threat  
3 monitoring. The IT and cybersecurity teams  
4 continue to actively monitor and assess  
5 potential threats to BOE's information systems  
6 and infrastructure. We remain vigilant in  
7 identifying, analyzing, and responding to  
8 phishing attempts and other suspicious  
9 activities that can impact integrity or data  
10 security.

11           During this reporting period, the team  
12 has continuously monitored network traffic and  
13 endpoint protection tools for indicators of  
14 compromise, investigated reported phishing  
15 emails and blocked malicious domains and sender  
16 addresses as necessary, conducted routine threat  
17 intelligence reviews to identify emerging risks  
18 relevant to election and government systems, and  
19 provided security awareness reminders to staff  
20 to reinforce safe email and system practices.

21           Voter education and outreach. During  
22 the month of March, the Voter Education and

1 Outreach Division participated in 54 outreach  
2 events on behalf of the Agency. Events included  
3 a ranked-choice voting workshop at the Office of  
4 Disability Rights and a workshop at the  
5 Advocates for Equity Awards. The Division  
6 continues to refine our outreach plan and is  
7 actively scheduling events on RCV.

8 Election Worker Division. In  
9 preparation for the 2026 election cycle, the  
10 Election Worker Division has been busy.  
11 Specifically, the Election Worker Division call  
12 center is now open six days a week, Monday  
13 through Saturday. Call center staff have been  
14 reaching out to election workers to schedule  
15 them for a four-hour in-person training class.  
16 Training classes for the Election Worker  
17 Division began on Tuesday, March 17. Election  
18 worker training classes are offered for ballot  
19 clerk, registration clerk, voter assistance  
20 clerk, and site coordinator. During the first  
21 week of training, we trained 306 election  
22 workers, and we trained 327 election workers

1 during the second week of training. We have  
2 contacted site coordinators who have assisted us  
3 during previous elections to request their help  
4 with training on ranked-choice voting.

5 Restore the Vote. The Restore the  
6 Vote, or RTV Division, is meeting with the  
7 Department of Corrections biweekly in  
8 preparation for the primary and special  
9 elections. Again, we plan on employing several  
10 of the jail's residents to staff their two  
11 election centers. Each person will be trained  
12 and will receive a stipend just as any other  
13 election worker. Our staff recently performed  
14 outreach at the jail facilities and received 101  
15 completed registration applications.

16 ANC vacancies. We currently have 12  
17 active ANC vacancies for the 2025-2026 term.  
18 These positions are in different stages of being  
19 filled. After candidate filing requirements are  
20 met, an open vote of registered voters of the  
21 affected SMD will be held during regularly  
22 scheduled ANC meetings. The deadline for

1 candidate filing for both the primary and  
2 special elections was Wednesday, March 18 at 5  
3 p.m. The petition challenge period began on  
4 Saturday, March 21st and ended on Monday, March  
5 30th. We are currently reviewing file  
6 challenges, and that concludes my report. Thank  
7 you.

8 CHAIR THOMPSON: Thank you very much,  
9 and at some point we'll know the universe of  
10 challenges and we will have a special hearing  
11 before or on Monday, April 20th to resolve any  
12 of those challenges.

13 Okay, with that, we'll turn to the  
14 general counsel's report from Terri Stroud.

15 MS. STROUD: Thank you, Mr. Chair, and  
16 we will actually have probably several hearings  
17 before April 20th. Hopefully, we'll finalize  
18 them by April 17th so that we can get everything  
19 finalized before we mail out the ballots to our  
20 military and overseas voters. And we will.

21 So the first item on my agenda is  
22 initiative matters, and today the Board is

1 taking action with respect to three initiative  
2 measures which are at three different stages of  
3 the initiative process. The first, which is  
4 what the Board had entered into a closed session  
5 to discuss, is the Housing Modernization and  
6 Accessibility Act of 2026. And if it is the  
7 Chair's pleasure, I can provide a background as  
8 to how we got to today, or you can decide how  
9 this will proceed with respect to this one.

10 CHAIR THOMPSON: Yeah, thank you. I  
11 don't think we need a long background review.  
12 We've been in closed session, and I want to  
13 thank all the parties and others who have  
14 submitted memos addressing the arguments under  
15 the U.S. Constitution regarding the Takings  
16 Clause, the Contracts Clause, the Due Process  
17 Clause. It was very interesting to read all  
18 these. I learned a lot.

19 Most recently, we received a  
20 supplemental advisory opinion from the Office of  
21 the Attorney General dated March 24th, 2026.  
22 That might be maybe the most important opinion

1 in that it laid out for us what our role is as a  
2 Board, and I think what it persuasively  
3 establishes is that our Board is warranted in  
4 rejecting a proposed initiative based solely on  
5 Constitutional grounds only if the measure is  
6 patently unconstitutional.

7 So taking that standard into account  
8 and having read and re-read all the arguments in  
9 many of the cases, I'm comfortable at this time  
10 making a motion that we approve the latest  
11 iteration of the D.C. Housing Modernization and  
12 Accessibility Act of 2026 as a proper subject  
13 matter.

14 MS. STROUD: Okay, and with that, we'll  
15 take a roll call vote with respect to the  
16 measure, and the motion would be that we accept  
17 and proceed with -- have the measure proceed  
18 along the initiative process, including next  
19 steps, which would be to prepare the  
20 formulations for the measure, request a fiscal  
21 impact statement from the CFO, and so on and so  
22 forth. With that, I will ask for a roll call

1 vote with respect to the motion. Mr. Chair?

2 CHAIR THOMPSON: Chair votes aye.

3 MS. STROUD: Member Greenfield?

4 MEMBER GREENFIELD: Aye.

5 MS. STROUD: And with that, the Board  
6 has determined or ordered that the initiative  
7 measure, the Housing Modernization and  
8 Accessibility Act of 2026, be accepted as  
9 presenting a proper subject and be allowed to  
10 proceed along the initiative process.

11 Okay, the next item on my agenda is the  
12 issuance of the petition for initiative measure  
13 number 86, which is the Prohibiting Force-  
14 Feeding of Birds Act of 2026. I will determine  
15 if the proposer, Cady Witt, is present. C-A-D-  
16 Y. And I see that Ms. Witt has her hand raised.

17 And I will ask you, Ms. Witt, to state your  
18 name and address for the record.

19 MS. WITT: Hello, this is Cady Witt.  
20 My address is 1375 Kenyon Street Northwest.

21 MS. STROUD: Okay, and we also have our  
22 Registrar of Voters, Marissa Corrente, present.

1 And if -- yes.

2 So, by way of background, the measure  
3 was submitted on December 11th, 2025. The Board  
4 determined that the measure met proper subject  
5 requirements on January 14th. The Board adopted  
6 the short title, summary statement, and  
7 legislative form at a public meeting on March  
8 4th. The formulations were published in the DC  
9 Register on March 13th, and the applicable  
10 challenge period concluded on March 23rd with no  
11 challenge being filed.

12 Accordingly, the Board is prepared to  
13 issue the petition today for the proposer's  
14 adoption. And so, Ms. Witt, did you have the  
15 opportunity to review the petition?

16 MS. WITT: Yes ma'am, I did.

17 MS. STROUD: Okay, and will you please  
18 confirm for the record whether you adopt the  
19 petition as your own in accordance with DC  
20 Official Code Section 1-1001.16(g)?

21 MS. WITT: Yes, I adopt the petition.

22 MS. STROUD: Okay. I will now ask that

1 the Registrar of Voters read the petition  
2 issuance memorandum into the record so that it  
3 is clear what the next steps in the process for  
4 this initiative measure are.

5 MS. CORRENTE: Thank you, General  
6 Counsel Stroud.

7 So I'm just going to read the memo.  
8 And Ms. Witt, you will be provided a copy of  
9 this and the petition, the adopted petition by  
10 email after today's Board meeting.

11 With the preparation of the petition  
12 form, it is important to note that in order for  
13 the measure to be placed on the ballot, the  
14 petition submitted in support of initiative 86,  
15 Prohibiting Force-Feeding of Birds Act of 2026,  
16 must contain the valid signatures of at least  
17 five percent of registered District of Columbia  
18 voters, provided that this total includes five  
19 percent of the registered voters in at least  
20 five of the eight Wards.

21 Pursuant to DC Official Code 1-  
22 204.102(a), the number of registered voters used

1 to compute these requirements is the latest  
2 official count of registered voters by the Board  
3 of Elections which was issued 30 or more days  
4 prior to the submission of the signatures.

5           While the signature requirement cannot  
6 be determined yet, the current calculations  
7 using the published February 28th, 2026 Monthly  
8 Voter Registration Statistics Report mean that  
9 the overall -- I'm not going to go into each  
10 Ward, but it does break that down in the memo --  
11 the overall signature requirement is 2,803  
12 signatures. But no, I said that wrong. 23,803  
13 signatures. That's what happens when you're an  
14 English major. Proponent is advised to check  
15 with the Board on a monthly basis as new  
16 statistics are issued to get up-to-date  
17 estimates of the signature requirements.

18           In addition, with the proposer formally  
19 adopting the original petition form as their own  
20 at today's Board meeting, the 180-day period for  
21 circulating the petition pursuant to DC Official  
22 Code 1-1001.16(j)(1) expires on Monday,

1 September 28th, 2026 at 5:00 p.m.

2 As I shared earlier, the proposer will  
3 be sent the following documents to their  
4 provided email after the Board meeting  
5 concludes, a PDF of the petition, this  
6 memorandum, and a secure link to various ballot  
7 access handouts and forms.

8 It is the duty of the proposer to  
9 ensure that when the petition is printed, the  
10 formatting matches the original document, which  
11 for an initiative petition is on 8-and-a-half-  
12 by-11-inch paper. The proposer is also  
13 responsible for adhering and ensuring that all  
14 parties connected to their efforts adhere to the  
15 pertinent rules, regulations, and laws.

16 MS. STROUD: Thank you, Ms. Corrente.  
17 Ms. Witt, do you have any questions?

18 MS. WITT: I do not, thank you.

19 MS. STROUD: Thank you. And with that,  
20 the petition has been issued and -- or will  
21 issue, and circulation may begin in accordance  
22 with applicable rules and regulations.

1           The final initiative matter for today  
2 is the adoption of formulations for the D.C.  
3 Living Wage for All Amendment Act of 2026. And  
4 Randy, if you could share your screen with the  
5 formulations that were prepared.

6           Okay, so the Board's task today with  
7 respect to this measure is to adopt the short  
8 title, summary statement, and legislative form  
9 for the proposed initiative measure. According  
10 to the summary statement submitted to the Board,  
11 the initiative would, if enacted, gradually  
12 increase the minimum wage to \$25 per hour for  
13 eligible employees by July 1st of 2029 and  
14 gradually eliminate the credit for tips received  
15 by tipped workers.

16           The tipped minimum wage for tipped  
17 workers, currently \$10 per hour indexed to  
18 inflation, would gradually increase until July  
19 1st, 2031, when the base wage for tipped workers  
20 would match the regular minimum wage, currently  
21 \$17.95 per hour, proposed to \$25 per hour by  
22 July 1st, 2029, and thereafter indexed to

1 inflation. Service charges collected from  
2 customers by employees of tipped workers will  
3 belong to employees.

4           And the formulations that were prepared  
5 by the Office of the General Counsel on March  
6 10th and published in the D.C. Register on March  
7 20th read as follows:

8           Initiative measure number 87, short  
9 title is the District of Columbia Living Wage  
10 Amendment of 2026. Summary statement, if  
11 enacted, this initiative would gradually  
12 increase the minimum wage to \$25 per hour for  
13 eligible employees by July 1st, 2029, and  
14 gradually eliminate the credit for tips received  
15 by tipped workers. The tipped minimum wage for  
16 tipped workers, currently \$10 per hour indexed  
17 to inflation, would gradually increase until  
18 July 1st, 2031, when the base wage for tipped  
19 workers would match the regular minimum wage,  
20 currently \$17.95 per hour, proposed to increase  
21 to \$25 per hour by July 1st, 2029, and  
22 thereafter indexed to inflation. Service

1 charges collected from customers by employees --  
2 by employers of tipped workers will belong to  
3 employees.

4 By way of background, the measure --  
5 and so there were additional changes that were  
6 made to the legislative text pursuant to  
7 recommendations from the Office of the Attorney  
8 General, as well as some minor technical  
9 wordsmithing from the Office of the General  
10 Counsel. By way of background, the measure was  
11 submitted on February 2nd. The Board determined  
12 that the measure met proper subject requirements  
13 on March 4th.

14 As stated, the Office of the General  
15 Counsel prepared formulations on March 10th.  
16 Those formulations were published in the D.C.  
17 Register on March 20th in a notice that informed  
18 the public of today's meeting.

19 Following adoption, the Board will  
20 notify the proposer of the final language for  
21 the short title, summary statement, and  
22 legislative form, and the formulations will be

1 published in the D.C. Register with a projected  
2 date of publication on April 10th. They will be  
3 published on the Board's website and in a  
4 newspaper of general circulation.

5 Publication in the D.C. Register will  
6 trigger a 10-day period during which any  
7 registered qualified elector may seek review in  
8 the Superior Court of the District of Columbia,  
9 including objections to the formulations or to  
10 the Board's proper subject determination. The  
11 10-day period is projected to end on April 20th  
12 of 2026.

13 And I believe that the counsel for the  
14 proposer is present, and I -- do you remember  
15 the proposer's name? I want to say, I know that  
16 the original counsel for the proposer was a Mr.  
17 Hurwitz -- Steinberg. Mr. Steinberg, is Mr.  
18 Steinberg -- I see Mr. Joe Steinberg is present  
19 with his hands raised.

20 Mr. Chair, if you would like to -- oh,  
21 no comments. Okay.

22 With that, I would ask the Board for a

1 motion to adopt the proposed formulations as  
2 presented, unless the Board would like to take  
3 any comments.

4 CHAIR THOMPSON: Yeah, thank you. This  
5 is very well done. There's a lot going in this  
6 Act, and it's summarized as succinctly and  
7 clearly as possible. So, with that, I will move  
8 that we adopt the formulations as presented.

9 MEMBER GREENFIELD: I second

10 MS. STROUD: Okay, with that, we'll  
11 take a roll call vote. Mr. Chair?

12 CHAIR THOMPSON: Aye.

13 MS. STROUD: Member Greenfield?

14 MEMBER GREENFIELD: Aye.

15 MS. STROUD: And, with that, the Board  
16 has adopted the proposed formulations as  
17 presented. And, again, they will follow the  
18 steps outlined in my discussion of the measure.  
19 And the next item on my agenda is the approval  
20 of a party name, the One Home Party.

21 And I'm looking for Mr. Arega, Michael  
22 Arega, A-R-E-G-A. Okay, I see that his hand is

1 raised. Okay, thank you, Mr. Arega.

2 Okay. So what we have before the Board  
3 now is an application for approval of a  
4 political party name. The applicant is Michael  
5 Arega, who submitted an application on February  
6 18th, 2026, seeking approval of the name One  
7 Home Party as a political party name in the  
8 District of Columbia.

9 And, Mr. Arega, if you could please  
10 state your name and address for the record.

11 (No response.)

12 MS. STROUD: Mr. Arega, are you able to  
13 unmute? I see that your hand is raised, but we  
14 have asked you to unmute. Are you able to do  
15 so?

16 (No response.)

17 MS. STROUD: Okay, I think we can  
18 accomplish this, Mr. Arega. And you are -- if  
19 you have ability to indicate anything in the  
20 chat or in the Q and A -- okay. Okay, you're  
21 not unmuted. Well, let me just proceed, and  
22 then if you have anything to put into the chat,

1 then you can do -- the Q and A, you can do so.

2 Mr. Arega is seeking approval of the  
3 name One Home Party as a political party name in  
4 the District of Columbia, pursuant to 3 DCMR  
5 1601 and DC Official Code Section 1-1001.08.  
6 Under 1601.2, the application must include the  
7 name, address, telephone number and voter  
8 registration number of the chairperson,  
9 treasurer, other principal officers, and each  
10 member of the duly authorized local committee of  
11 the party.

12 Staff has reviewed the application and  
13 confirmed that it includes the required  
14 information for several officers, including the  
15 ones named in the applicable regulatory  
16 provisions.

17 The proposed name is One Home Party.  
18 Under 3 DCMR 1601.3. the Board may reject any  
19 name that in the judgment of the Board tends to  
20 confuse or mislead the public.

21 Staff has reviewed the proposed name  
22 and the names of existing parties in the

1 District of Columbia, and has found no basis to  
2 conclude that the name tends to confuse or  
3 mislead the public. Accordingly, I recommend  
4 that the Board approve the name One Home Party  
5 as a political party name in the District of  
6 Columbia.

7 Under 3 DCMR 1601.4, approval requires  
8 a majority vote of the Board. And once  
9 approved, nominating petitions may be issued to  
10 candidates affiliated with the party. And I am  
11 happy to answer any questions at this time. And  
12 if there are none, I would ask that the Board --  
13 I would ask the Board to make a motion to  
14 approve the name One Home Party as a political  
15 party name in the District of Columbia.

16 CHAIR THOMPSON: The Chair so moves  
17 that we recognize One Home as a political party.

18 MEMBER GREENFIELD: I second.

19 MS. STROUD: Okay. And, with that,  
20 we'll take a roll call vote. Mr. Chair?

21 CHAIR THOMPSON: Aye.

22 MS. STROUD: Member Greenfield?

1 MEMBER GREENFIELD: Aye.

2 MS. STROUD: And, with that, the Board  
3 has approved the name One Home Party as a  
4 political party name in the District of  
5 Columbia. The next item on my agenda is a third  
6 and revised emergency and proposed rulemaking.  
7 The bulk of the content covered by this  
8 rulemaking was adopted by the Board at the  
9 Board's February and March meetings and covers  
10 the core tabulation framework with respect to  
11 ranked choice voting, and it does other things  
12 as well. So what we covered was a ballot  
13 instructions, round by round tabulation,  
14 overvote, skipped rankings, recount procedures.

15 And there were also other provisions that had  
16 to do not with ranked choice voting, but other  
17 ballot access and candidate eligibility issues.

18 But what the change is here is that  
19 Sections 729.26 through 729.35 address how  
20 write-in rankings will be adjudicated in the RCV  
21 context. Specifically, the rulemaking  
22 establishes some helpful definitions, including

1 write-in nominee, write-in candidate, write-in  
2 ranking. It establishes rules governing how  
3 multiple write-in entries on a single ballot  
4 will be treated. And, more importantly, it  
5 establishes a threshold-based framework for  
6 determining whether write-in rankings will  
7 survive into the tabulation process or will be  
8 eliminated in the first round.

9           And so, taken together, this framework  
10 ensures that write-in votes will be treated  
11 fairly and consistently, preserved when they are  
12 numerically significant enough to potentially  
13 affect the outcome of an election, and  
14 eliminated cleanly in round one when they are  
15 not.

16           And so, with that, if adopted by the  
17 Board, or if the Board grants a motion to submit  
18 this rulemaking to the D.C. Register for  
19 publication, in likely the April 10th edition of  
20 the D.C. Register, they will remain in effect  
21 for 120 days from today's adoption, through July  
22 30, 2026, unless superseded by a notice of final

1 rulemaking. They will become effective today,  
2 but there will also be the opportunity for  
3 comment for 30 days after the regulations are  
4 published in the D.C. Register.

5 And we worked really hard on these  
6 regulations and we are told by the RCV Resource  
7 Center that they will be the envy of all  
8 jurisdictions. So we're very happy with that.  
9 And so, with that, I would ask for the motion  
10 from the Board.

11 CHAIR THOMPSON: Thank you for the  
12 additional hard work on this round of  
13 regulations. We, indeed, are the envy of other  
14 election agencies. With that, I'd move that we  
15 adopt the third revised emergency rules that  
16 you've presented.

17 MEMBER GREENFIELD: Second.

18 MS. STROUD: And I'll take a roll call  
19 vote with respect to that. Mr. Chair?

20 CHAIR THOMPSON: Aye.

21 MS. STROUD: Member Greenfield?

22 MEMBER GREENFIELD: Aye.

1 MS. STROUD: And, with that, the Board  
2 has approved that this rulemaking be submitted  
3 to the D.C. Register for publication in the  
4 April 10th, 2026 edition, or another one, but I  
5 think it will likely be the April 10th edition.

6 And we will submit it to the D.C. Register, but  
7 it will take effect immediately.

8 And, with that, I will have -- we have  
9 -- we move on to enforcement hearings. The  
10 Board has before it today seven enforcement  
11 matters, each involving evidence of possible  
12 election law violations arising from the 2024  
13 general election. In each of these cases, my  
14 office previously presented the matter to the  
15 Board at the March regular meeting. And I'm  
16 going to have Ms. Pembroke come forward and  
17 present with respect to these matters.

18 At the March meeting, we did indicate  
19 that we would return at today's meeting to seek  
20 referral of each matter to the DC Office of the  
21 Attorney General for further investigation and  
22 possible prosecution if we were not able to

1 reach the individuals at issue.

2 And so, Ms. Pembroke will proceed.

3 MS. PEMBROKE: All right. Thank you,  
4 General Counsel. The first matter is the Ayisha  
5 Owens matter. This was a matter that came to  
6 our attention through the electronic  
7 registration information voter participation  
8 report. And what that report showed was that  
9 Ayisha Owens had voted in the District of  
10 Columbia and in Maryland in the 2024 general  
11 election. The D.C. ballot was cast in person on  
12 Election Day, that's November 5th, and the  
13 Maryland ballot was cast on September 26th.

14 In light of the report findings, the  
15 Board staff reviewed the signatures on the poll  
16 pad for the D.C. ballot and for the mail ballot  
17 cast in Ms. Owens's name, and the Board staff  
18 could not conclude that the signatures were not  
19 made by the same person. Based on that  
20 evidence, the Office of General Counsel opened  
21 an investigation targeted at Ayisha Owens.

22 The Office of General Counsel scheduled

1 a pre-hearing conference and attempted to notify  
2 Ms. Owens of that proceeding by mail at the D.C.  
3 address that was in her voter file and at her  
4 Maryland address. Ms. Owens did not appear at  
5 the pre-hearing conference. We then sent  
6 certified mail notice to her that her case would  
7 be presented to the Board during the Board's  
8 regular meeting in March. And as the General  
9 Counsel stated, we called the case at the March  
10 meeting and she was not present. And so this is  
11 the meeting at which we had indicated that the  
12 General Counsel would be recommending referral  
13 for prosecution by the Office of Attorney  
14 General.

15           The next matter is Jacqueline  
16 Threadgill. This is also a matter that came to  
17 our attention through the ERIC participation  
18 report, and it showed -- which showed that  
19 Jacqueline Threadgill voted in the D.C. 2024  
20 general election and in that same election in  
21 Maryland. The D.C. ballot was cast in-person on  
22 November 5th, and the Maryland ballot was cast

1 by mail on October 15th.

2 In light of that, we again investigated  
3 the signatures that were provided on the D.C.  
4 poll pad and on the Maryland ballot, and staff  
5 concluded that the printed handwriting for the  
6 Maryland ballot resembled the D.C. poll pad  
7 handwriting. Based on that, the Office of  
8 General Counsel open investigation targeted at  
9 Jacqueline Threadgill and sent her notice of a  
10 pre-hearing conference. She did not appear at  
11 the pre-hearing conference and was then sent a  
12 certified mail notice that her matter would be  
13 presented to the Board at its regular meeting in  
14 March. And, again, she did not appear at the  
15 March meeting.

16 The next matters involve situations  
17 where another individual appears to have issued  
18 a ballot that was not theirs. So the first one  
19 is Jo Ann Elvis. This was a situation in which  
20 the ERIC report showed that Michelle Monique  
21 Elvis voted in the D.C. 2024 general election  
22 and in the Maryland 2024 general election. In

1 light of that evidence of double voting, we  
2 reviewed the available signatures and found that  
3 the signature that appeared on the Maryland --  
4 for the Maryland ballot did not align with the  
5 signature that was on the D.C. ballot return  
6 envelope for the ballot that was cast in her  
7 name in D.C.

8           When we further investigated,  
9 individuals residing at the address to which the  
10 D.C. mail ballot was sent, we found that the  
11 ballot that was signed in the name of M. M.  
12 Elvis had handwriting that matched handwriting  
13 for another voter resident at that address named  
14 Jo Ann Elvis. We then opened an investigation  
15 targeted at Jo Ann Elvis and sent her notice of  
16 a pre-hearing conference. She did not appear at  
17 that pre-hearing conference, and so was then  
18 sent notice that this matter would be presented  
19 at the March meeting. She again did not appear  
20 at the March meeting. And at that time, the  
21 recommendation would be that it would be  
22 referred at this current Board meeting.

1           The next matter is in the matter of  
2 Phillip Anthony Harris. Again, as a result of  
3 the ERIC report, we became aware that a Phillip  
4 Harris had voted in the D.C. general election  
5 for 2024 and in the Maryland election. We  
6 reviewed the poll pad signature associated with  
7 the D.C. in-person ballot that was cast in the  
8 voter's name and found that that signature did  
9 not match the in-person ballot that was cast in  
10 Maryland.

11           And, significantly in this case, the  
12 Maryland signature for Phillip Harris was  
13 followed by the Roman numeral five, or V. And  
14 when we checked signatures on file for the D.C.  
15 voter file, we determined that Mr. Harris  
16 typically signed his name in D.C. with the Roman  
17 numeral five, or V, after it. And the  
18 handwriting that we had for other signature  
19 samples for Mr. Harris did, in fact, match the  
20 Maryland signature, which prompted us to look at  
21 other voters residing at his address.

22           And when we did that, we discovered

1 that there was a Phillip Anthony Harris residing  
2 at that address who did not sign using that  
3 designation V. So we opened an investigation  
4 with respect to Phillip -- the voter Phillip  
5 Anthony Harris. We sent him notice of a pre-  
6 hearing conference. He did not appear at the  
7 pre-hearing conference, but he did respond to  
8 the email notice that we had sent to him after  
9 the pre-hearing conference date had passed.

10 In his email, he said, "I do not  
11 understand what this is all about. Is someone  
12 using my identity to vote? The last election I  
13 voted in was the 2024 presidential election. My  
14 polling place is at the University of the  
15 District of Columbia. I do not know what type  
16 of information you need for me to provide that  
17 I've not done anything illegal with voting."

18 In response to that email, we again  
19 invited Mr. Phillip Anthony Harris to attend a  
20 pre-hearing conference, and he did not respond  
21 to that invitation. We sent him an email notice  
22 and certified mail notice that his case would be

1 presented to the Board at the March meeting, and  
2 he also did not appear.

3           The next matter is with respect to  
4 Destiny -- and I hope I pronounced this name  
5 correctly -- Khalilgucci. So, in this case, we  
6 became aware that a voter had voted in both the  
7 D.C. '24 general -- the D.C. 2024 general  
8 election and Maryland 2024 general election,  
9 except that there was a slight variation with  
10 respect to the voter's name in D.C. in that  
11 their last name had it -- was hyphenated and an  
12 additional name was added at the end.

13           We reviewed the ballot return envelope  
14 for the mail ballot cast in D.C. in the voter's  
15 name to signatures associated with the in-person  
16 ballot that was cast in Maryland and determined  
17 that the signatures did not match. Notably, the  
18 voter wrote a reasonably decipherable signature  
19 of their name, with the last name omitting the  
20 hyphenated addition on the Maryland ballot in  
21 cursive form. Whereas on the D.C. ballot return  
22 envelope, there was a printed name with the

1 hyphenated version of the voter's last name and  
2 another printed name underneath the signature  
3 line, followed by the initials DDS.

4           Accordingly, investigation of other  
5 voters claiming the same address, D.C. address,  
6 as appeared on the D.C. mail ballot return  
7 envelope was undertaken. That effort revealed  
8 that the handwriting on the 2024 D.C. general  
9 election ballot return envelope matched  
10 handwriting of Destiny Khalilgucci, and that Ms.  
11 Khalilgucci had also voted in her own name in  
12 that election. And we had other signature  
13 samples for her in which she had written in the  
14 initials DDS after her printed name.

15           Based on this evidence, the Office of  
16 General Counsel open investigation targeted at  
17 Destiny Khalilgucci. We invited her to a pre-  
18 hearing conference, and she did not appear.  
19 Following, we sent her notice that this matter  
20 would be presented at the Board's regular  
21 meeting in March, and again she did not appear.

22           And the next matter is in the matter of

1 Lashawn Lopez. This was another situation in  
2 which the ballot cast was cast in the same  
3 voter's name in the D.C. 2024 general election  
4 and in the 2024 general election in Maryland.  
5 Based on that, we then reviewed the signature on  
6 the ballot return envelope for the D.C. mail  
7 ballot cast in that voter's name. The signature  
8 on the D.C. mail ballot was reasonably  
9 decipherable as the name of another name other  
10 than the pre-printed name under the signature  
11 line, and a name other than the name of the  
12 voter to whom the ballot was issued.

13           We then looked to see who -- what other  
14 voters were residing at that address, and we  
15 determined that the handwriting on the 2024  
16 general election D.C. mail ballot return  
17 envelope matched the handwriting of Lashawn  
18 Lopez. In addition, Lashawn Lopez's voter file  
19 showed that she had also cast a ballot in her  
20 own name in the same election in D.C.

21           Based on this evidence, we opened an  
22 investigation targeted at Lashawn Lopez. We

1 scheduled a pre-hearing conference and attempted  
2 to notify Ms. Lopez of that proceeding. She did  
3 not appear at the pre-hearing conference. We  
4 then notified her that this matter would be  
5 presented at the Board's regular meeting in  
6 March, and she did not appear at the March  
7 meeting.

8           And I believe the last matter we have  
9 is -- for this batch of enforcement proceedings  
10 from the March meeting is in the matter of  
11 Earlene Washington. This was a situation in  
12 which there was evidence that an individual  
13 named Tristan Washington voted in the D.C. 2024  
14 general election and in the 2024 general  
15 election in Maryland. Based on that, we  
16 reviewed the signature that Tristan Washington  
17 had provided in-person when he cast his ballot  
18 in Maryland and the D.C. mail ballot return  
19 envelope. Although the D.C. mail ballot return  
20 envelope had a handwritten name that was  
21 reasonably decipherable as Tristan Washington,  
22 the signature did not match the signature for

1 the Maryland ballot.

2 We then looked at voters claiming the  
3 same address as Tristan Washington in D.C. and  
4 found that another voter living at that address,  
5 Earlene Washington, had the same handwriting as  
6 the handwriting that appeared on the D.C. mail  
7 ballot return envelope. Notably, the writing  
8 for the last name Washington, with respect to  
9 signature samples for Earlene Washington, was  
10 almost identical to the handwriting of the last  
11 name Washington on the ballot that was signed in  
12 the name of Tristan Washington in D.C.

13 We then opened an investigation  
14 targeted at Earlene Washington. She was  
15 notified of a pre-hearing conference and did not  
16 appear. We then notified her that this matter  
17 would be presented to the Board at its March  
18 meeting, and again she did not appear at the  
19 Board's March meeting.

20 And, with that, that is the evidence  
21 with respect to the matters that were called at  
22 the March meeting at which voters did not

1 appear. I would ask -- we did provide all of  
2 these signature samples to the Board. I would  
3 ask that that evidence be admitted into the  
4 record.

5 MS. STROUD: Bedig Galladian?

6 MS. PEMBROKE: I'm sorry, you want me  
7 to do the Bedig matter? Okay. The last matter  
8 to present is slightly different. It was not  
9 presented at the March meeting. It has to do  
10 with evidence that we found of a voter casting a  
11 ballot in the D.C. 2024 general election and in  
12 the 2024 general election in Maryland.

13 When we reviewed the D.C. ballot return  
14 envelope, it was clear that the name that was  
15 written on the signature line was not the name  
16 of the voter. So we then looked into voters  
17 residing at that address and determined that the  
18 individual who had signed it was Bedig  
19 Galladian. We reached out to Mr. Galladian and  
20 he responded, and he appeared at a pre-hearing  
21 conference and cooperated fully in our  
22 investigation.

1           After the pre-hearing conference, we  
2 sent Mr. Galladian a stipulated agreement in the  
3 matter, and Mr. Galladian subsequently executed  
4 that agreement. By that stipulation, Mr.  
5 Galladian acknowledged that the signature on the  
6 signature line appearing above the person's pre-  
7 printed name on the D.C. 2024 general election  
8 ballot envelope was his signature. He agreed in  
9 the stipulation that he erroneously voted in a  
10 D.C. 2024 general election ballot that was  
11 issued to another voter. He admitted that he  
12 failed to exercise care and caution in  
13 completing and returning the ballot to the  
14 Board. Mr. Galladian further stipulated that he  
15 did not intend to vote a ballot issued to  
16 another voter. And I would add that he did not  
17 vote in his own name in that election.

18           So, we provided the Board with the  
19 stipulated agreement that has the signature  
20 evidence attached, and I would ask that the  
21 Board accept that evidence into the record.

22           CHAIR THOMPSON: Yeah, (audio

1 interference).

2 MS. STROUD: And so, with respect to  
3 the first six matters that were presented, I  
4 would -- or seven matters that were presented,  
5 with the exception of Bedig Galladian -- that we  
6 issue orders indicating that they would be  
7 referred, but also provide them with an  
8 opportunity to request a -- to file motions for  
9 reconsideration, so that we have one last chance  
10 to hear from them prior to them being referred  
11 to the Office of the Attorney General, and the  
12 orders will so indicate.

13 And then with respect to -- and so I'll  
14 ask that we take that one first, the motion that  
15 we be allowed to refer pending the opportunity  
16 for the targets to file motions for  
17 reconsideration by the Board.

18 CHAIR THOMPSON: The Chair so moves.

19 MEMBER GREENFIELD: Second.

20 MS. STROUD: Okay, and I'll take a roll  
21 call vote with respect to that. Mr. Chair?

22 CHAIR THOMPSON: Aye.

1 MS. STROUD: Member Greenfield?

2 MEMBER GREENFIELD: Aye.

3 MS. STROUD: And, with that, we will so  
4 govern ourselves accordingly with respect to  
5 referral of these matters.

6 And with respect to Mr. Bedig  
7 Galladian, I would ask for a motion that we  
8 accept the stipulated agreement and not refer  
9 Mr. Galladian for prosecution.

10 CHAIR THOMPSON: The Chair so moves.

11 MEMBER GREENFIELD: Second.

12 MS. STROUD: Okay. And with that, I'll  
13 take a roll call vote. Mr. Chair?

14 CHAIR THOMPSON: Aye.

15 MS. STROUD: Member Greenfield?

16 MEMBER GREENFIELD: Aye.

17 MS. STROUD: And, with that, the Board  
18 has moved to accept the stipulated agreement  
19 entered into between the Office of the General  
20 Counsel and Mr. Galladian, and he will not be  
21 referred.

22 And that concludes the enforcement

1 matters. And the final item on my agenda is  
2 litigation status. We have four cases. There  
3 has been no change in the status of these  
4 matters since the last Board meeting, except for  
5 with respect to Charles Wilson v. Muriel Bowser,  
6 et al. The change is that, on March 12th, the  
7 court issued an order rescheduling a status  
8 hearing that had been set for March 13th to May  
9 15th. That's the only matter that was changed  
10 among the matters that are currently being  
11 litigated by the Board.

12 The first is Stacia Hall v. the Board.

13 The other ones are Long v. the Board, and the  
14 final one is the U.S. Department of Justice v.  
15 the Board. And that concludes my litigation  
16 status and the report of the Office of the  
17 General Counsel in its entirety. Thank you.

18 CHAIR THOMPSON: Thanks very much.

19 MS. STROUD: I will also add that the  
20 written order in the Housing Modernization and  
21 Accessibility Act of 2026 will issue at some  
22 point this week.

1 CHAIR THOMPSON: All right. Well,  
2 thanks for all that hard work in the middle of a  
3 very busy season.

4 Moving on to our Campaign Finance  
5 Report from Cecily Collier-Montgomery.

6 MS. COLLIER-MONTGOMERY: Yes. Good  
7 morning. For the record, the full report of the  
8 activity of the agency will be posted at our  
9 website, [www.ocfdc.gov](http://www.ocfdc.gov), before the close of  
10 business today, and that report will be for the  
11 activity of the agency during the month of  
12 March. I will, however, at this time, just  
13 highlight a few items of interest for the public  
14 from the report.

15 First, on March the 5th, 2026, I  
16 presented testimony before the Committee on  
17 Executive Administration and Labor of the  
18 Council of the District of Columbia on the  
19 Fiscal Year '25 performance and the Fiscal Year  
20 '26 plan of the Office of Campaign Finance.

21 During the presentation, I addressed  
22 the status of the Fair Elections program and

1 election cycle 2026, and also discussed the  
2 realignment of the Fair Elections Division and  
3 the Reports Analysis and Audit Division into one  
4 division, the Audit and Compliance Division.

5 The realigned division will be responsible for  
6 the entire OCF audit program under one umbrella,  
7 including both the Fair Elections program and  
8 the traditional campaign finance program.

9           With respect to community outreach, we  
10 participated in several events, which also  
11 included, in March, a presentation before  
12 advisory neighborhood commissioners in Ward 8  
13 and also before the D.C. Federation of Civic and  
14 Citizens Associations meeting.

15           In the Fair Elections Program Division,  
16 during the month of March, for the 2026 election  
17 cycle, as of this date, there are 21 certified  
18 participating candidates in the Fair Elections  
19 Program, and the office has authorized the  
20 disbursement of the total sum of \$6,122,491.68  
21 from the Fair Elections Fund in base amount and  
22 matching payments to the certified candidate.

1           For the 2026 special election cycle for  
2 Council at-large, as of this date, there are  
3 three certified participating candidates in the  
4 program, and the agency has authorized the  
5 disbursement of the total sum of \$320,814.25  
6 from the Fair Elections Fund in base amount and  
7 matching payments to the three certified  
8 candidates.

9           During the month of March, we also  
10 certified three candidates to participate in the  
11 program in the June 16th, 2026 primary election,  
12 and 27 disbursements were authorized with public  
13 funds. The list of disbursements is available  
14 in our report. And the newly certified  
15 candidates are as follows. The Committee to  
16 Elect Doni Crawford, Principal Campaign  
17 Committee. The candidate, Doni Crawford, was  
18 certified on March the 16th as a participating  
19 candidate for the covered office of at-large  
20 member of the Council and the Fair Elections  
21 Program in the June 16th, 2026 special election  
22 for a member of the Council at large. The first

1 half base amount in the amount of \$20,000 and  
2 matching payments of \$90,894.25 were authorized  
3 for disbursement on March 16th.

4           The second candidate is Dyana for DC,  
5 Principal Campaign Committee. The candidate,  
6 Dyana Nicandria-Marie Forester was certified on  
7 March 16th as a participating candidate for the  
8 covered office of at-large member of the Council  
9 and the Fair Elections Program in the June 16th,  
10 2026 primary election. The first half base  
11 amount in the amount of \$20,000 and matching  
12 payments of \$72,482.50 were authorized for  
13 disbursement to the committee on March 16, 2026.

14           The third candidate is Greg Jackson for  
15 DC, Principal Campaign Committee. The  
16 candidate, Gregory Neil (phonetic) Jackson, was  
17 certified on March 18th as a participating  
18 candidate for the covered office, again, of at-  
19 large member of the Council and the Fair  
20 Elections Program in the June 2026 primary  
21 election. The first half base amount payment in  
22 the amount of \$20,000 and matching payment of

1 \$103,135 were authorized for disbursement on  
2 March 20, 2026.

3 With respect to other activity in the  
4 Fair Elections Program, the program conducted 57  
5 desk reviews of reports and receipts and  
6 expenditures which had been filed by candidates  
7 and committees. And, as a result of the review  
8 of those reports of receipts and expenditures,  
9 issued 29 requests for additional information.

10 With respect to remitted funds, as of  
11 March 31, 2026, the total sum of \$928,729.40 has  
12 been remitted for deposit in the Fair Elections  
13 Fund.

14 The complete status of the ongoing  
15 2020, 2022, 2024, and 2025 post-election full  
16 field audit is listed in the OCF report. There  
17 were five final audit reports which were issued  
18 during the month of March by the Fair Elections  
19 Program Division.

20 The first is Friends of Best, Principal  
21 Campaign Committee, post-election final  
22 compliance audit, which was issued on March 9,

1 2026. And the candidate was -- was a  
2 participating candidate in the 2024 election  
3 cycle.

4 The Committee to Elect Robert  
5 Henderson, Principal Campaign Committee, post-  
6 election final compliance audit report was  
7 issued on March the 9th, 2026. The candidate  
8 was a participating candidate in the 2022  
9 election cycle.

10 Friends of Dexter, Principal Campaign  
11 Committee, post-election final compliance audit  
12 report issued on March 9th. The candidate was a  
13 participating candidate in the 2022 election  
14 cycle.

15 Gordon Fletcher for Ward 5, Principal  
16 Campaign Committee, post-election final  
17 compliance audit report was issued on March the  
18 13th. The candidate participated in the 2024  
19 election cycle.

20 Brian Footer for DC, Principal Campaign  
21 Committee, post-election non-compliance report  
22 was issued on March 23, 2026. He was a

1 candidate in the 2026 election cycle. And the  
2 non-compliance audit report will be referred to  
3 the General Counsel's Office for enforcement  
4 proceedings.

5 All of our final audit reports are  
6 available at the OCF website for review by the  
7 public.

8 In the Public Information and Records  
9 Management Division, there was one report date  
10 during the month of March 2026, and that was for  
11 the filing of receipts and expenditures which  
12 were due on March 10th for the active 2026  
13 election cycle, traditional campaign finance  
14 program candidates and committees, the political  
15 action committees, the independent expenditure  
16 committees, and the active 2026 election cycle  
17 Fair Elections Program candidates and principal  
18 campaign committees.

19 For new candidates and committees  
20 participating in the 2026 election cycle in the  
21 traditional program, I would just say that there  
22 are a total of 141 candidates who have

1 registered, and 137 of those candidates are  
2 active. We have had several candidates who have  
3 terminated their candidacy.

4 And the following candidates registered  
5 during March 2026. For the office of mayor,  
6 Virginia Griggs registered on March 3rd, Michael  
7 Arega registered on March 9th, Robert Lee  
8 registered on March the 9th, Myrtle Alexander  
9 registered on March the 10th, Michael Poindexter  
10 registered on March the 10th, Stanley Lawson  
11 registered on March 19th, and Vidhyarini Sampath  
12 registered on March 26th.

13 For the office of member of the Council  
14 at-large, Darryl Moch registered on March 6th.

15 For the office of Council chairperson, Jack  
16 Evans registered on March 20th. For the office  
17 of member of the Council Ward 1, Jude Crannitch  
18 registered on March 3rd.

19 For the office of the member of the  
20 Council, Ward 5, Joyce Robinson Paul registered  
21 on March 3rd. Bridget French registered on  
22 March 18th.

1                   For the office of member of the  
2 Council, Ward 6, Jon Hanen registered on March  
3 9th. For the office of Attorney General, Manuel  
4 Rivera registered on March 10th. With national  
5 and local party committee members, Fred  
6 Oladeinde registered on March the 25th. For the  
7 office of the member of the Council at-large for  
8 the special election, Dwight Davis registered on  
9 March the 25th.

10                   In our Fair Elections Program, there  
11 are currently 56 candidates registered and 41  
12 are active. And during the month of March, we  
13 had a candidate who registered for the primary  
14 election for the office of mayor. Anthony  
15 Mohammed registered on March 12th. And the 2026  
16 special elections for the office of member of  
17 the Council at-large, Andrew Smith registered on  
18 March 11th. There were no new committee  
19 registrations during the month of March '26.

20                   Also, the Division referred 13  
21 committees to the General Counsel for the  
22 failure to timely file the March 10th report of

1 receipts and expenditures. The committees and  
2 their treasurers are listed in our report.  
3 Also, I would report that nine candidates and  
4 treasurers completed our entrance conference for  
5 the month of March, and their names are also  
6 listed in our report.

7 In our Reports Analysis and Audit  
8 Division, which is our traditional audit branch,  
9 during the month of March, the division  
10 conducted 80 desk reviews and also issued 14  
11 audit letters requests for additional  
12 information based on those reviews. Also, the  
13 audit branch issued one audit, the Committee for  
14 a Better Public Transit Political Action  
15 Committee. There was a compliance audit report  
16 which was issued on March 3rd for the January  
17 31, '26 report of receipts and expenditures.

18 And there are also two ongoing periodic  
19 random audits, and those audit reports are  
20 listed -- or the names of those committees which  
21 are being audited. One is the Constituent  
22 Service Program and one is a political action

1 committee. They are listed in our report.

2 And I would ask the General Counsel,  
3 William SanFord, to give the report for the  
4 activity of the Office of the General Counsel  
5 for the Office.

6 MR. SANFORD: Thank you, Director. Good  
7 morning, Mr. Chairman and distinguished Board  
8 Member Greenfield.

9 During the month of March 2026, the  
10 Office of the General Counsel received 26  
11 referrals, completed one informal hearing, and  
12 issued one order in which no fine was imposed.

13 In the month of March 2026, the Office  
14 of the General Counsel opened two  
15 investigations, and they included the following:  
16 Docket No. OCF-I 2026-003 was opened on March  
17 11th. The complainant was JP Szymkowicz, and  
18 the respondent is Brian Swann and Brian for DC,  
19 Principal Campaign Committee. The allegation  
20 was the improper use of government resources.  
21 That matter is still pending before the Office  
22 of the General Counsel.

1           The second investigation is OCF-I 2026-  
2   004 consolidated. That matter was docketed on  
3   March 24th through March 30th, and the  
4   complainants were Elissa Silverman, Tim Krip,  
5   Amy Mauro, Michael Crawford, Senovia Hurtado-  
6   Aviles. The respondent in this matter is the  
7   Khalil Lee Principal Campaign Committee, and the  
8   allegation is campaign contribution reporting  
9   violations. And that matter remains pending for  
10  the Office of the General Counsel.

11           During the month of March, there were  
12  no requests for interpretive opinions and no  
13  show-cause proceedings were conducted. This  
14  report will be published at the OCF website,  
15  under the data and reports section by close of  
16  business on today's date, the 1st of April,  
17  2026. And that concludes my report.

18           CHAIR THOMPSON: All right. Thank you  
19  very much. Thank you to the Office of Campaign  
20  Finance.

21           MS. COLLIER-MONTGOMERY: Yes, that  
22  concludes our report.

1 CHAIR THOMPSON: All right. And unless  
2 anybody has any other business, we have some  
3 time at the end here for public comment. So I  
4 would ask that folks raise their Zoom hand, if  
5 they'd like to comment for a couple of minutes.

6 Nikolas Schiller?

7 MR. SCHILLER: Greetings. Can you hear  
8 me okay?

9 CHAIR THOMPSON: Yes.

10 MR. SCHILLER: I have just more of a  
11 housekeeping question. The Board of Elections  
12 updates the voter roll on a monthly basis and  
13 campaigns that are now actively out, certainly  
14 in petitions. My question is, is there a  
15 specific time in which the campaign should be  
16 requesting the updated voter roll? Is there a -  
17 - I know Ms. Stroud has emailed me saying that,  
18 generally speaking, when requests are made, the  
19 Board has 15 days to reply.

20 In past campaigns, I've had staffers  
21 send me the voter roll when it was published.  
22 Right now, I'm kind of operating with, like, an

1 unknown, well, should I send it every week?  
2 Should I send it once a week? And it would just  
3 be -- I'm just curious of what's the best  
4 protocol so that we're not asking for the Board  
5 roll too soon or too late, because when  
6 campaigns are reviewing signatures from voters,  
7 it's important that they're using the most  
8 latest data.

9           So I'm just curious if there's going to  
10 be some clarity of respect to the best time for  
11 a campaign to reach out to the Board of  
12 Elections seeking the most updated voter roll.  
13 Thank you.

14           MS. STROUD: That -- the response that  
15 I provided was in response to, I guess, a  
16 concern that you weren't being provided with  
17 them in a timely fashion. So I just wanted to  
18 let you know that, with respect to data  
19 requests, the Board has up until that amount of  
20 time, but you can request it anytime you want,  
21 and I think, you know -- and you could attest to  
22 this -- that we've been providing them or we

1 typically provide them with a rapid turnaround.

2 So you can request them whenever.

3 Sometimes it might take a little bit longer to  
4 provide the voter file because we have to update  
5 when we receive a request for voters to be made  
6 confidential. So we have to stop releasing it,  
7 and then once we've updated the files so that no  
8 confidential voter information is provided, or  
9 no voters who've been made confidential have  
10 their residential address be provided. But once  
11 we've done that, we provide the roll, you know,  
12 fairly quickly.

13 MR. SCHILLER: Yeah, and even this  
14 month, when I requested the voter roll through  
15 the FOIA process, I was able to receive the  
16 voter roll later that day. It was not a real  
17 issue about the turnaround. And the FOIA person  
18 even responded saying, hey, they're on maternity  
19 leave, and that's why the request I had made in  
20 December wasn't fulfilled in a basic timeline.

21 My question is more detailed as respect  
22 to, is there a time in which the voter roll

1 should be requested? Like if I was to make the  
2 request through the FOIA process, should I make  
3 the request: I would like to have the April  
4 voter roll when it is available? So that way,  
5 when it becomes available, they can respond to  
6 me? As opposed to asking for the April voter  
7 roll and it's not ready yet, or it won't be  
8 ready for 15 more days.

9 MS. STROUD: So it's not a question of  
10 the 15 days. That's just the timeframe within  
11 which we have to respond to requests for  
12 records. So, if you want the voter roll, you can  
13 submit it, and if it is available, you can have  
14 it. But if you ask for the voter roll as of a  
15 date, then you will wait until that voter roll  
16 is available according to the parameters that  
17 you provided in your request.

18 MR. SCHILLER: Can there be a standing  
19 request where a voter requests it every month  
20 when it's available, after any redactions or  
21 changes have been made?

22 MS. STROUD: Yeah, changes, I mean --

1    yeah, they -- the voter roll is constantly  
2    evolving because we get, you know, requests for  
3    additions, there are removals depending on  
4    certain things. Yeah, so, I would just -- I  
5    would recommend that people that want the voter  
6    roll submit requests for when they want it.

7                   MR. SCHILLER: Okay. Thank you for  
8    your time. I appreciate it.

9                   MS. STROUD: You're welcome.

10                  CHAIR THOMPSON: Okay. Well, thank you  
11    everybody for attending. Seeing no other hands  
12    at this time I'd move that we adjourn. Oh,  
13    there's a second.

14                  All right, all in favor? Aye. Thanks,  
15    everybody. Have a great day.

16                  (Whereupon, the above-entitled matter  
17    went off the record at 11:50 a.m.)
