1605  FILING PETITIONS

1605.1 Before the nominating petition is filed, all sheets which comprise the petition shall be assembled and serially numbered.

1605.2 The nominating petition and supporting affidavits, as well as the candidate’s Declaration of Candidacy as required pursuant to Chapter 6 of this title, shall be filed in-person at the Board’s office no later than 5:00 p.m. on the 90th day preceding the election (“petition filing deadline”). Any candidate may file petition supplements prior to the petition-filing deadline, provided that the supplements are accompanied by an affidavit executed by the person filing them. All petitions and supplements shall be received by the Executive Director or his or her designee if filed on or before the petition-filing deadline.

1605.3 Within three (3) business days following the petition-filing deadline, the Executive Director or his or her designee shall issue a preliminary determination of petition sufficiency. In order to be determined sufficient, a petition nominating a candidate shall:

(a) Contain the minimum statutory number of signatures required to obtain ballot access for the office sought;

(b) Be accompanied by an affidavit executed by the person filing the petition, attesting that to the best of his or her knowledge, the petition is complete and contains the legally required number of valid signatures; and

(c) Be on a form issued by the Executive Director or his or her designee in accordance with the rules of this chapter.

1605.4 In determining whether the minimum statutory number of signatures is contained in the nominating petition, the Executive Director or his or her designee shall not count any signatures submitted on petition pages that fail to include a completed circulator’s affidavit or any signatures of registered voters who submitted a written notarized request to disallow the voter’s signature from being counted on the petition; provided, that the request shall be received prior to the time the petition is filed.

1605.5 Notice of the Executive Director’s preliminary determination of petition sufficiency shall be served immediately by email or first-class mail upon each candidate.
1605.6 In the event that it is determined that a candidate’s nominating petition is insufficient, the candidate’s nominating petition shall nevertheless be posted for the challenge period specified in D.C. Official Code § 1-1001.08 (o) (2016 Repl.), along with the Executive Director’s preliminary determination.

1605.7 Within three (3) days of issuing a notice of an adverse determination, a candidate aggrieved by the decision may file a written notice of appeal with the Board, duly signed by the candidate and specifying concisely the grounds for appeal.

1605.8 The Board shall hold a hearing on the appeal within three (3) days after receipt of the appeal notice.

1605.9 The hearing shall be conducted in accordance with the procedures provided in the District of Columbia Administrative Procedure Act, (D.C. Official Code §§ 2-501 et seq. (2016 Repl.)), and may be heard by a one-member panel (D.C. Official Code § 1-1001.05 (g) (2016 Repl.)).

1605.10 Any appeal from a decision of a one-member panel to the full Board shall be taken in the manner prescribed by D.C. 1606 PETITION CHALLENGES

1606.1 The Executive Director or his or her designee shall post nominating petitions, or facsimiles thereof, in the Board’s office for public inspection and opportunity for challenge on the basis of an insufficient number of valid signatures or any other grounds by any qualified elector(s) for ten (10) days, including Saturdays, Sundays, and holidays, beginning on the third (3rd) calendar day after the petition-filing deadline required by law. A challenge to a nominating petition that is not properly submitted to the Board within the challenge period shall not be accepted.

1606.2 Except as provided in this section, the Board shall adjudicate the validity of each properly filed challenge in accordance with the procedures prescribed in Chapter 4 of this title. A challenge to the validity of the signatures on the petition is properly filed if:

(a) It cites the alleged signature or circulator requirement defects, as set forth in the signature validity rules of this chapter, by line and page;

(b) It is signed and submitted in-person at the Board’s office by a qualified elector by no later than 5:00 p.m. on the 10th day of the challenge period;

(c) It alleges the minimum number of signature defects which, if valid, would render the prospective candidate ineligible for ballot access; and

(d) It appears on its face to be based on a good faith review of each signature and circulator affidavit. An absence of good faith may be determined where the Board’s preliminary review of the challenge indicates that the defect(s) alleged for a substantial number of signatures and/or circulator affidavits could not reasonably be found to apply to such signatures and/or circulator affidavits.

A challenge on grounds other than the alleged invalidity of any petition signature will be properly filed if it concisely sets forth a procedural or other defect.

1606.3 Upon the receipt of a properly filed challenge, the General Counsel or his or her designee shall promptly serve a copy of the challenge upon the candidate in-person, by first-class mail, or by email. In addition, the Board’s General Counsel may schedule a pre-hearing conference between the parties.
1606.4 After the receipt of a properly filed challenge that is based on allegedly invalid signatures, the Board’s staff shall search the Board’s permanent registration records to prepare a recommendation to the Board as to the validity of the challenge. The scope of the search shall be limited to matters raised in the challenge. In the event Board staff discovers a fatal defect either on the face of a petition or pursuant to a record search concerning a specific allegation or challenge, the Board may, on its own motion, declare any signature(s) invalid, notwithstanding the defect was not alleged or challenged; alternatively, the Board, in its discretion, may waive any formal error.

1606.5 The Board shall receive evidence in support of and in opposition to the challenge and shall rule on the validity of the challenge no more than twenty (20) days after the challenge has been filed. The Board shall consider any other evidence as may be submitted, including but not limited to, documentary evidence, affidavits, and oral testimony.

1606.6 The Board, in view of the fact that it shall hear and determine the validity of the challenge within a limited time, may limit examination and cross-examination of witnesses to the following:

(a) Objections and specifications of such objections, if any, to the nominating petition; and

(b) Objections and specifications of such objections, if any, to the petition challenge.

1606.7 Based upon the evidence received, the Board shall either reject or uphold the challenge, and accordingly grant or deny ballot access to the candidate whose petition was challenged.

1606.8 If a one (1)-member Board panel makes a determination on the validity of a challenge, either the challenger or any person named in the challenged petition as a nominee may apply to either the full Board or the District of Columbia Court of Appeals for a review of such determination within three (3) days after the announcement of the one (1)-member panel determination; provided that any appeal to the full Board must be made in time to permit the Board to resolve the matter by no later than twenty (20) days after the challenge has been filed. An appeal from a full Board determination to the Court of Appeals shall be made within three (3) days.
1606.9 If at the expiration of the challenge period referred to in this section, no challenge has been filed with respect to a nominating petition, the Executive Director, or his or her designee, shall certify the candidate, and the candidate’s name shall be printed on the ballot.
