**DCBOE Announces Results of Recounts in Two ANC Contests**

**WASHINGTON, D.C.** – The District of Columbia Board of Elections (DCBOE) is announcing the results of recounts conducted for two Advisory Neighborhood Commissioner (ANC) contests on the November 8, 2022 General Election ballot, Single Member District (SMD) 5A06 and SMD 7C05.

For ANC SMD 5A06, DCBOE recounted ballots cast in precinct 44. The outcome of the election was changed as a result of the recount. Accordingly, DCBOE will make a new certification of the results of this contest on Monday, December 19, 2022 at 11:00 a.m.

**Recount Results for ANC SMD 5A06 - Precinct 44**

Candidate	Certified Election Results	Recount Results
Derrick Holloway (Write-in Candidate)	30	33
Kweku A. Toure (Write-in Candidate)	29	35
Other Write-ins	74	80

Because this recount entailed reviewing write-in votes to determine the winner, DCBOE inspected each ballot to determine voter intent in accordance with its regulations. This inspection resulted in 15 votes that were previously identified as undervotes due to machine tabulation being attributed to write-in candidates.

For ANC SMD 7C05, DCBOE recounted ballots cast in precincts 95 and 96. The outcome of the election was not changed as a result of the recount. Accordingly, DCBOE will not make a new certification of the results of this contest.

**Recount Results for ANC SMD 7C05 – Precincts 95 and 96**

Candidate	Certified Election Results	Recount Results
Mary L. Gaffney	132	132
Shirley A. Boykins	137	139
Malik M. Lloyd	112	112
Write-ins	13	13

The results of the recount are final and not appealable.
