The Board of Elections is committed to transparency and openness. As is the case with other District government agencies, the Board is required to make certain records available online to the public if those records exist. In cases where those records exist but are not yet available online, we are working to provide them as soon as possible. If you have any questions or concerns about the information contained on this page, or if there is any information you would like to see included herein, please contact the Board's Office of the General Counsel at ogc@dcoee.org.
